

WE PLAN FOR EVERYTHING.

1.

STRATEGICALLY SOUND MEETINGS THAT REINFORCE THE BRAND OBJECTIVES

2.

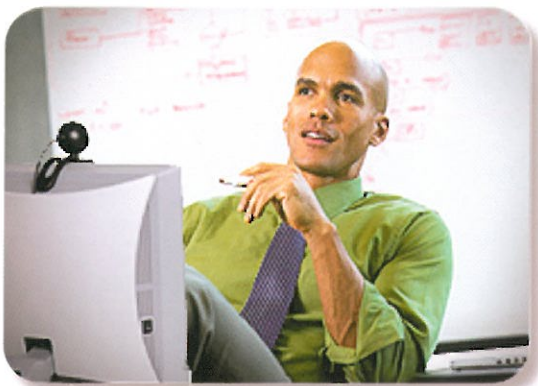

MEETINGS THAT **IMPACT** AND INFLUENCE YOUR AUDIENCES

3.

FULLY COMPLIANT AND FLAWLESSLY EXECUTED

Our training, access to technology and turnkey logistics prepare us for anything from sun-up to teardown. Whether content is delivered in person or remotely, we create experiences that speak to your most important audiences.

TYPES OF MEETINGS

No matter where or when your meeting is, the smooth and clear dissemination of information is critical. We have more than a decade of strategic meetings management experience in more than 100 countries and counting. And our ability to handle a high volume of meetings with a high standard of excellence has earned us Preferred Provider status with several Fortune 500 clients.

NO PICTURE TOO BIG, NO DETAIL TOO LITTLE

Every interaction you share with your audiences is significant. So, too, is every detail in producing mission-critical meetings to promote your overall brand strategy. Our experience measuring spend, accommodating multiple stakeholders and delivering ROI allows us to collaborate seamlessly in procured environments.

TURNKEY LOGISTICS

Our experienced planners manage every aspect of your program to make sure no detail is overlooked.

- Budget analysis
- Translation services
- Online registration
- Communication design
- Speaker support services
- Materials management
- Travel arrangements
